Registered names, trademarks, etc. used in his journal, even when not marked as such, are not to be considered unprotected by law. All rights reserved (including those of translation into other languages). No part of this issue may be reproduced in any form – by photoprints, microfilms, or any other means – nor transmitted or translated into a machine language without written permission from the publishers. Only single copies of contributions, or parts thereof, may be made for personal use. This journal was carefully produced in all its parts. Nevertheless, authors, editors and publisher do not warrant the information contained therein to be free of errors. Readers are advised to keep in mind that statements, data illustrations, procedural details or other items may inadvertently be inaccurate. Valid for users in the USA: The copyright owner agrees that copies of the article may be made for personal or internal use, or for the personal or internal use of specific clients. This consent is given on the condition, however, that the copier pay the stated per-copy fee through the Copyright Clearance Center, Inc. (CCC), for copying beyond that permitted by Sections 107 or 108 of the U. S. Copyright Law. This consent does not extend to other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale. For copying from back volumes of this journal see the "Permission to Photo-Copy: Publisher's Fee List" of the CCC.
