It was a real pleasure seeing  
you again, Norman A. Nelson 

Best wishes for more success with  
tropolone and azulene chemistry.

 Arthur C. Cope

It was very interesting to hear your talk and  
to see your colorful cigarette cases.

Very pleasant to meet you again after four years. Best of luck  
in your work with azulenes and with every other field of study  
which you may develop.

Avery Allen Ashdown

With best personal regards and good wishes  
for a pleasant trip back to Japan
