

Fred Basalo  
Northwestern Univ.  
Evanston, Ill. U.S.A.

In view of your interest in colored compounds,  
perhaps you will recall that I showed you a  
colored protein molecule.

Irving Klotz  
Northwestern University  
Evanston, Ill., U.S.A.

Best wishes

Ralph S. Pearson

Northwestern

You should put an oxygen in those beautiful  
ring compounds. R. H. Summerhelt  
Northwestern U.

In memory of a visit from you to Northwestern  
which we much enjoyed.

Robert L. Burnwell, Jr.

Pleasure to meet you

Robert H. Baker  
Northwestern Univ.

Best wishes

Robert Lettinger
