Oct. 22 It is a great pleasure to meet Professor Noyce again and to see the marvellously neat samples of azulenes.
Howard J. Lucas

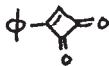

Oct. 22 I am very happy to meet Prof. Noyce here in Cal Tech, Pasadena
Kiyoshi Tsubota

Oct. 22. It is my great pleasure to have a party with Dr. Noyce in Athenaeum.
Kimishige Ishizaka

Oct. 22 I look forward to Prof. Noyce's next visit; this time in less than four years.
Edwin R. Buchman

Oct 22, 1957 It is an honor to have you visit again. We thank you for the pleasure of Dr. Y. Kitahara's company in Pasadena last year.

John D. Roberts

It is indeed an honor and a privilege to meet the originator of so much fascinating chemistry. May the output continue as prolific in the future as it has been in the past.
