

Last page of Sieder - Beginning of
Sieder's visit 25-28, March 1968.

What a beautiful visit and visit of Sieder.
Hilberstein and Hilberstein, dear Sieder, were we
wider?

Comprehensive Radical chemistry and Reversible
Complexing of photo- and Radiation chemistry on the
path to future chemistry.

Here is the structure
and the structure
for the complex

Sieder 28. III 1968

Thank you for the wonderful Rys in Sieder.
We are very much looking forward to seeing you
next spring in Germany.

Best wishes!

With love from Hilberstein!

Winstel Freund

有機ケイ素化学の第二次国際討論会に参加致しました為、
北極まわりで再度日本を訪ねさせて戴きました。

野副先生の新居を拝見致しましたと、引越以来、最初の
訪向客との由、光榮の至りで御座います。
