Med önskan om fortsatt framgång med tropolonkemien
With wishes of continuous progress in tropolon chemistry
Bengt Lindberg

27.7.53

With thanks for the visit to this northern
country

Leite Jarpes
Korsolinshus institutet
Stockholm.

27.7.53

Lycka till i fortsättningarna och välkomna tillbaka
Good luck in the future and welcome back again
Björn Wickberg

27.7.53.

With wishes that you may find the first dityrosene
tropalone,

Raymond Duff.
