

(16)

It has been a distinct pleasure to meet you-

Barbara C. Heand

Monday, Nov. 16, '53.

Your visit to our laboratory has been an inspiration to us, and we wish you success in the continuation of your work in this important field in organic chemistry.

Wendell W. Mayet
Crown Zellerbach Corp.

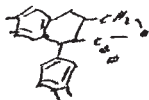

Best personal regards from us here in Camas.

David W. Spheen
Central Research Dept.
