

24th September '84

It was delightful meeting once again.

Synthesis of,  
with Lindberg, Ossowski,  
Pitohi, Fügedi '83-84.

Per-Jönasson

With many thanks for  
a brilliant expose of  
recent hepolone chemistry

Axel Lindberg

Sept 28, 1984

Many thank for all your hospitality  
and for a really stimulating time  
in Japan

Per-Erik Jansson, Stockholm

1984! A new type of polymer

E. sabbureum L13
