

# physica **p** status **s** solidi **s** Solid State at its Best

[www.pss-journals.com](http://www.pss-journals.com)

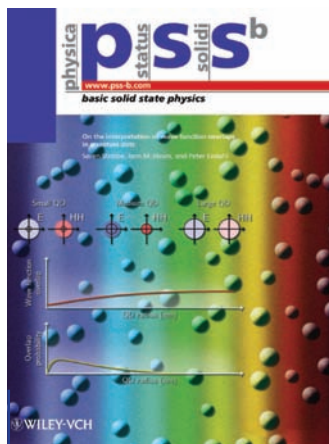

*Rapid Research Letters*

- ▶ Very rapid publication
- ▶ Impact Factor 2.815\* – Highest impact letter journal in solid state physics

*applications and materials science*

- ▶ High-quality reviews and Original Papers in applied and basic solid state physics
- ▶ Rapid editorial handling and online publication

*basic solid state physics*

*current topics in solid state physics*

- ▶ Top conference proceedings
- ▶ In collaboration with Guest Editors

\*2010 Journal Citation Reports® (Thomson Reuters, 2011)

**FREE ACCESS**

Special edition *Best of pss 2011*:  
[bestofpss.materialsviews.com](http://bestofpss.materialsviews.com)

## HOT TOPICS in 2012

- ▶ Large-Scale Materials Simulations: from Bio-nano to Solids
- ▶ Advanced Concepts in Photovoltaics
- ▶ Nanostructures and Quantum Devices
- ▶ Light-Matter Coupling in Nanostructures
- ▶ Organic Metals, Superconductors and Ferromagnets

## Main Features

- ▶ New international Editorial Advisory Board – shared across all *pss* publications
- ▶ Managed by experienced editorial team at Wiley-VCH
- ▶ High quality guaranteed by strict peer review
- ▶ New: **Reviews@RRL** and special section **Solar Cells** in *pss RRL – Rapid Research Letters*
- ▶ Increased 2010 Impact Factors
