

Meetings and Conferences

→ 2012

Protein-Device Combinations	January 11–12, 2012, Coronado, CA, USA	www.healthtech.com
Higher Throughput Protein Purification	January 11–12, 2012, Coronado, CA, USA	www.healthtech.com
Antibodies for the 21 st Century	January 11–12, 2012, Coronado, CA, USA	www.healthtech.com
Choosing, Designing, and Optimizing Hosts and Platforms	January 11–12, 2012, Coronado, CA, USA	www.healthtech.com
Scale-Up and Manufacturing of Cell-Based Therapies	January 11–13, 2012, San Diego, CA, USA	www.engconfintl.org/12at.html
Scale-Up and Manufacturing of Cell-Based Therapies	January 11–13, 2012, San Diego, CA, USA	www.engconfintl.org/12at.html
Live-Cell Imaging	January 12–13, 2012, San Francisco, CA, USA	www.healthtech.com
Plant and Animal Genome XX Conference	January 14–18, 2012, San Diego, CA, USA	www.intl-pag.org
Epigenomics	January 17–22, 2012, Keystone, Colorado, USA	www.keystonesymposia.org
Chromatin Dynamics	January 17–22, 2012, Keystone, Colorado, USA	www.keystonesymposia.org
Membranes in Motion: From Molecules to Disease	January 22–27, 2012, Tahoe City, California, USA	www.keystonesymposia.org
High-Throughput Structural Biology	January 22–27, 2012, Keystone, Colorado, USA	www.keystonesymposia.org
Structural Biology of Cellular Processes: From Atoms to Cells	January 22–27, 2012, Keystone, Colorado, USA	www.keystonesymposia.org
Biomarker Assay Development	January 31–February 1, 2012, San Diego, CA, USA	www.healthtech.com
Phacilitate Vaccine Forum	January 30–February 1, 2012, Washington, DC, USA	www.phacilitate.co.uk
Phacilitate Cell & Gene Therapy Forum	January 30–February 1, 2012, Washington, DC, USA	www.phacilitate.co.uk
Phacilitate Protein Therapeutics Forum	January 30–February 1, 2012, Washington, DC, USA	www.phacilitate.co.uk
Biostec 2010: 5 th International Joint Conference on Biomedical Engineering Systems and Technologies	February 1–4, 2012, Vilamoura, Portugal	www.biostec.org
Functional Genomics – Applications, Molecular Diagnostics & Next Generation Sequencing	February, 2–3, 2012, Frankfurt, Germany	http://events.dechema.de
Gene Silencing by Small RNAs	February 7–12, 2012, Vancouver, Canada	www.keystonesymposia.org
14 th Annual BIO CEO & Investor Conference	February 13–14, 2012, New York, NY, USA	http://ceo.bio.org

	1 st Biotechnology World Congress	February 14–15, 2012, Dubai, EAE	www.biotechworldcongress.com
	EMBL Conference: Omics and Personalised Health	February 16–18, 2012, Heidelberg, Germany	www.embl.org/events
	IMRET12: 12 th International Conference on Microreaction Technology	February 20–22, 2012, Lyon, France	http://events.dechema.de
	The APCChE 2012: The 14 th Asia Pacific Confederation of Chemical Engineering Congress	February, 21–24, 2012, Singapore	www.rpsonline.com.sg/apcche/index.html
	European Workshop on High-Throughput Developments and Applications	February 26–29, 2012, Wildbad Kreuth, Germany	http://events.dechema.de
	10 th ASM Biodefense Meeting	February 26–29, 2012, Washington, DC, USA	www.asmbiodefense.org
	Therapeutic Applications of Computational Biology and Chemistry (TABAC) 2012	March, 12–14, 2012, Hinxton, UK	https://registration.hinxton.wellcome.ac.uk/display_info.asp?id=263
+	2 nd BioProScale Symposium on Inhomogeneities in Large-Scale Bioreactors: Systems Biology and Process Dynamics	March 14–16, 2012, Berlin, Germany	www.ifgb.de/bioproscale
+	3D Cell Culture 2012	March 14–16, 2012, Zurich, Switzerland	http://events.dechema.de
	BIO-Europe Spring	March 19–21, 2012, Amsterdam, The Netherlands	www.ebdgroup.com/bes
	Cell Culture Engineering XIII	April 22–27, 2012, Scottsdale, AZ, USA	www.engconfintl.org/12ac.html
	3 rd International Conference on Stem Cell Engineering (ICSCE)	April 29–May 2, 2012, Seattle, WA, USA	http://stemcell.aiche.org
+	International Conference: Systems Biology of Human Disease	May 2–4, 2012, Heidelberg, Germany	www.csb2.org
+	HTPD2012: 2 nd International Conference devoted to high-throughput process development	June 4–6, 2012, Avignon, France	www.htpdmeetings.com
	15 th Annual Conference of the European Biosafety Association	June 11–13, 2012, Manchester, UK	www.ebsaweb.eu/EBSA_15
	ACHEMA 2012	June, 18–22, 2012, Frankfurt, Germany	www.achema.de
+	15 th International Biotechnology Symposium & Exhibition (IBS2012)	September 16–21, 2012, Daegu, Korea	www.ibs2012.org
+	15 th European Congress on Biotechnology (ECB15)	September 23–26, 2012, Istanbul, Turkey	http://ecb15.org

Entries to be considered for inclusion in this calendar should be sent to the editorial office.

✚ Journal present or featured at this event. Contact the Editorial Office for more information.

Submit your **meeting report** as “other contribution” (500–2000 words).

In order to submit:

– go to <http://mc.manuscriptcentral.com/btj> or contact the Editorial Office: btj@wiley.com.
