Copies	Title	
	<p>Dombrowski, A. (ed.): A Companion to Impressionism Series 'Blackwell Companions to Art History' 2021/08. HC. Approx. € 165.00 / £ 135.00 ISBN: 978-1-119-37389-6 Weblink: http://www.wiley-vch.de/publish/en/books/ISBN978-1-119-37389-6/ New research on Impressionism; new topics and methodologies in Impressionist studies; new scholarly, academic approaches to Impressionism</p> <p>Some scholars of modern art may find that the volume is not going far enough in new directions, such as critical race studies or the digital and environmental humanities, each covered by one contribution among thirty-four only. Given recent developments in academia, some scholars may note that only one scholar out of thirty-four is of African decent, even though scholars of different nationalities are included as well. The study of Impressionism has traditionally been dominated by Euro-American scholars.</p>
